The Planet of Harmony: A Grandpa Mark and Noah Story (Volume 1) Billy Mark Stegall

When young Noah is frightened by what he sees on the evening news, Grandpa Mark shares with him a fantastic story, from a world far away, that helps him understand the importance of treating others fairly. The inhabitants flying over and around the Planet of Harmony, while all different in so many ways, had to learn a valuable lesson about getting along. While each are unique, they were all the same in so many ways. Losing sight of that created problems that threatened to tear apart their beautiful home. Something had to be done to teach each and every one a lesson they would never forget. The lesson being that is life is better when we focus on caring for each other, helping each other, and treating each other the way we would want to be treated. Only then will there be harmony.
