Grace McGillis is over the moon to have won the love, or at least the favor, of Dr. Sage Gerret, the resident heartthrob at the hospital where she is a receptionist. Sage hopes to “improve” her: to inspire her to eat and drink less and educate herself about fine art and music. Everyone sees Sage as a great catch. Why else would Grace put up with his barbs about her appearance and his uninspired lovemaking? Enter Breece, an adoring alpha male who is out-of-this-world in bed. That is not surprising, for he is, after all, a ghost. Though Sage may not be anyone’s dream date, he is alive. Grace is falling in love with Breece, but is love enough? Even if fate allows her ghost lover to continue his delightful haunting, how will this couple find love everlasting?
