Coronado (P.S.) Dennis Lehane

Along with completely original material, this new collection is a compilation of the best of Dennis Lehane's previously published short fiction, including "Until Gwen," which was adapted for the stage in 2005 and appears in this book as the play *Coronado*. By turns suspenseful, surreal, romantic, and tragically comic, these powerful tales journey headlong into the heart of our national myths—and reveal that the truth awaiting us there is not what we would expect.
