Drawing on the Right Side of the Brain Deluxe: The Definitive, 4th Edition Betty Edwards
This Deluxe eBook includes over 35 minutes of video featuring Betty Edwards illustrating the core techniques of her enduring classic.

A revised edition of the classic drawing book that has sold more than 1.7 million copies in the United States alone.

Translated into more than seventeen languages, *Drawing on the Right Side of the Brain* is the world's most widely used drawing instruction book. Whether you are drawing as a professional artist, as an artist in training, or as a hobby, this book will give you greater confidence in your ability and deepen your artistic perception, as well as foster a new appreciation of the world around you. This revised/updated fourth edition includes:

- a new preface and introduction;
- crucial updates based on recent research on the brain's plasticity and the enormous value of learning new skills/ utilizing the right hemisphere of the brain;
- new focus on how the ability to draw on the strengths of the right hemisphere can serve as an antidote to the increasing left-brain emphasis in American life-the worship of all that is linear, analytic, digital, etc.;
- an informative section that addresses recent research linking early childhood "scribbling" to later language development and the importance of parental encouragement of this activity;
- and new reproductions of master drawings throughout

A life-changing book, this fully revised and updated edition of *Drawing on the Right Side of the Brain* is destined to inspire generations of readers to come.
