How Grammar Works: A Self-Teaching Guide Patricia Osborn

Here is a quick and easy way to brush up on the intricate system of grammar that powers the English language. The updated and expanded edition of this proven guide is a painless way to master parts of speech, syntax, and all the rules of good usage. Best of all, the self-teaching format enables you to learn at your own pace, when it is convenient for you.

Now you can learn to write and speak Standard American English effectively. The task is easier if you have a solid understanding of how and why grammar "works" than if you try to memorize lists of rules. That's why author Patricia Osborn emphasizes grammar in action, taking the rules out of the classroom and into everyday language. She explains the functions performed by the various parts of speech and provides a new glossary of frequently misused word pairs.
