This book is intended for ages 18 and up due to sexual content and language. Alexa Drake is at the top of her game. Heading up the London office for Patrick Collins Media, she's done what it takes to get to the top and have the career and independence she's always wanted. Her life in London is everything she's worked hard to achieve, and she revels in her newfound control. If only she could forget the one man who brings her to her knees. Literally. Scott Patrick is successful, commanding, and the kind of man women dream about. He's also responsible for Alexa's career success and her twisted view of love. Scott is a master at avoiding commitment and emotions and always thought of himself as the kind of guy who would never settle down. So why can't he get Alexa out of his head? When Scott suddenly turns up in London, Alexa has to decide if she can open herself up to the same man that broke her heart or if she's ready to give someone new a chance. Beautifully Twisted is an intense power struggle between two people who have a hard time being together but an even harder time staying apart.
