The Epistle of Paul to the Thessalonians (Tyndale New Testament Commentaries)

All who are interested in the teaching and study of the New Testament today cannot fail to be concerned with the lack of commentaries which avoid extremes of being unduly technical or unhelpfully brief. It is the hope of the editor and publishers that this present series will do something towards the supply of this deficiency. Their aim is to place in the hands of students and serious readers of the New Testament, at a moderate cost, commentaries by a number of scholars who, while they are free to make their own individual contributions, are united in a common desire to promote a truly biblical theology.
